

FINANCIAL LITERACY PROGRAM

There is no better time than NOW to increase your awareness regarding money matters, our economy, the financial markets, and the risks of reckless spending and careless borrowing. Research has shown that as little as 10 hours of personal financial education will positively affect your spending and saving habits. With hands-on activities, you quickly learn to set attainable goals and follow a realistic step-by-step plan toward financial success using basic and advanced financial planning strategies. These courses have been skillfully designed to provide you with an unparalleled and solid financial foundation—a priceless gift that you will utilize your entire life. Camp Director: Afarin Homer

FINANCIAL FITNE\$\$ FOR TEENS

Have you ever wanted to buy an iPod, iPad, or a video game, but couldn't afford it? Here is your chance to learn how to use your allowance wisely, buy the things you want, and still have money in the bank! Participate with your friends in many exciting activities, including financial bingo and Jeopardy. Play skill-building board games like Real-World Math which unlocks your goal-setting, savings, and money management skills. On the last day, show what you've learned by competing with your classmates in Team Financial Horse Race. Invest in this special program today and learn to manage your money like an expert. *This dynamic program meets State and National Personal Finance Standards.* Instructor: Afarin Homer
